

NAME.

Juniper 600

Model SL08-600

Finish White | Black | Silver
Dimming Method Non | 1-10V | DALI

FEATURES.

- Simple and exquisite industrial design with rich texture
- Time saving installation and maintenance time by revolutionary surface mounted structure
- Special anti-glare cover, offering comfortable soft lights for Indirect luminous environment

SPECIFICATIONS.

Light efficiency	135lm/W
Input Voltage	AC200-240V
Power consumption total (W)	40W
Colour temperature	3000k 4000k 6000k
CRI	>80
Lumens	5411lm
Beam angle	90 deg
Material	Aluminium (6063AL)
IP grade	IP20
UGR	<21
PF	0.9
SDCM	<3
Warranty	5 years
