

**NAME.**

Juniper 900

Model**SL08-900****Finish**

White | Silver

Dimming Method

Non | 1-10V | DALI

FEATURES.

- Simple and exquisite industrial design with rich texture
- Time saving installation and maintenance time by revolutionary surface mounted structure
- Special anti-glare cover, UR<18 with comfortable and soft lights for Direct 70% & Indirect 30%

SPECIFICATIONS.

Light efficiency	120lm/W
Input Voltage	AC200-240V
Power consumption total (W)	56W
Colour temperature	3000k 4000k 6000k
CRI	>80
Lumens	6200lm
Beam angle	95 deg 100 deg
Material	Aluminium (6063AL)
IP grade	IP20
UGR	<15
PF	>0.9
SDCM	<3
Warranty	5 years
