

NAME.

Flexi Neon 2020T

Model NF2020
Finish White

FEATURES.

- High luminous efficiency, high CRI and brightness
- High light transmittance, uniform lighting dot-free lighting design
- Environmentally friendly silicone material, integrated extrusion molding
- Resistant to ultraviolet rays, salt and corrosive gas, has longer lifetime

SPECIFICATIONS .

Power consumption total (W)	17W/m
Input Voltage	DC24V
Colour temperature	2700K 3000K 3500K 4000K 5000K 6000K Red Green Blue Yellow Orange Pink
Beam Angle	120°
CRI	>80
IP Rating	IP67
IK Rating	IK06
Life time	50.000h (Ta=25°C@L70)
Warranty	3 Years
